

# CHASE HOLT

## *Software Engineer*

New York, NY

P: 801-554-1353 | E: chaseholt@orc3.com

G: github.com/chaseholt | L: linkedin.com/in/chase-holt

## TECHNICAL SKILLS

- **Proficient:** Node, Javascript, React/Redux, Git, Express, HTML, CSS, Mocha, Chai, PostgreSQL, Java
- **Knowledgeable:** Babel, Cloud Firestore, React-Native
- **Familiar:** Python, C++

## PROJECTS

**Our City** | *Software Developer* | <https://github.com/boba-boys/ourTown>

*We built a social app to leave reviews on different places of interest within groups.*

- Used 3rd party API's to receive data concerning a location
- Redesigned backend schema multiple times to improve the efficiency of our app
- Delivered a complete application experience in 2 weeks of development
- Tech Stack: React-Native, Sequelize, Javascript

**Wonderful Flowers** | *Software Developer* | <https://wonderful-flowers.herokuapp.com/home>

*Created a mock e-commerce website to gain familiarity with version control and working on a team to deploy a finished product.*

- Used Github Projects to assign tasks and efficiently add to our application
- Used Sequelize to store user data so users can have a more seamless experience
- Utilized local storage to provide non-logged-in users a better experience
- Tech Stack: Node.js, React, Sequelize, HTML, CSS, Javascript

**Sharely** | *Sole Developer* | <https://github.com/chaseholt/web-journal>

- Used firestore to host site and store post data
- Focus on aesthetics and smooth UX
- Tech Stack: React, Node.js, Firebase / Firestore, HTML, CSS, Framer-Motion

## EDUCATION

**Fullstack Academy**, New York, NY

08/2021-12/2021

*Fulltime Immersive Software Development Bootcamp*

- Project-focused program to learn full-stack web development
- Technologies used: JS, HTML, CSS, Node.js, React, PostgreSQL, Git, Github, Heroku deployment

**The University of Utah**, Salt Lake City, UT

08/2018-current

*Bachelor of Science in Computer Science*

- Relevant Courses: Intro to CS, Data Structures and Algorithms, Calculus series

## EMPLOYMENT

**Oakridge Roofing**, Draper, UT

05/15-Current

*General Laborer*

- Worked long hours to establish a strong work ethic
- Communicated with other trades to build stunning houses efficiently
- Contributed to projects I had no experience with, helping me learn trades very quickly
